

KOA Speer Company

From
Concept to Reality
Bring Your Designs to Life
with our **NEW** Passive Components

Whether you're designing the car of tomorrow or connecting the Internet of Things, you need cutting-edge product solutions to bring your design to fruition. At KOA Speer, we're the ideal partner to help you do just that. Our constantly expanding line of passive components will give you the solution to make your concept a reality!

More than just Resistors - yes we're the world leader in thick film resistors, but our product line is broad and growing every day, including:

- Shunt/Current Sense Resistors
- Wide Terminal Resistors
- High Voltage Resistors
- Thin Film Chip Resistors
- Surge Resistors

New Passive Component Solutions - our engineering group will work with your design team to develop the passive component solution you need. Many of the hundreds of new products we've introduced in recent years are the result of such collaboration.

Quality 1st

You expect product quality from any component that makes it into one of your designs. But in today's competitive global marketplace, there's so much more to the quality equation. At KOA Speer, our Quality 1st initiative reinforces our organization wide focus on serving you at the highest possible level.

Our commitment to quality in everything we do is paying off... in the past two years we've received three major customer quality awards. We're the industry's most recognized and awarded supplier for achieving the highest product quality, on-time delivery and responsive customer service.

ISO 9001:2015 CERTIFIED **IATF16949:2016 CERTIFIED**

Customer Programs

KOA Speer can play a vital role in helping your operation achieve maximum efficiency. Our sales/customer service representatives will meet your design, production and purchasing teams to create a program that makes sense for your organization. Among the areas we regularly address are data entry and access through customized EDI, and inventory management through dock-to-stock and JIT programs. Our willingness to not only develop these programs but to execute them as promised, makes KOA Speer a dependable partner worth integrating into your operation.
