
Green PCB Board ULN2003 Driver Module Stepper Motor Driver Board Chip NEW

Specification:

Condition: New

ULN2003A motor driver chip

Chip all the pins already leads for easy connection to use
5-12V power supply

4-way signal indicator

XH-5P socket, can be connected directly 28BYJ-48

Model stepper motor

PCB board size: 40.5 x 21.3 mm

Packing Include:

1pcs x ULN2003A motor driver
