Origin:Guangdong

brand:A&T

Product name:trumpet

model:AT4140 lettered film speaker

frequency:25±5

capacity:110000±30%

Sound pressure:85

Resistance:

Current:5.0

Category: Speaker

Category:
Ultrasonic

Product Details

SPECIFICATION

Customer:	Part No:
Product : ultrasonic buzzers	A&T Part No : AT4140 embossed film speaker
Technical Terms	
Resonant Frequency (KHZ)	2 5 ±5
Rated Voltage (V rms)	5.0 _
Operating Voltage (V rms)	1 ~ 30
Max. Current Consumption at Rated Voltage (mA)	5.0 _
Capacity at 1000Hz (Pf)	1 1 0000± 30%

The product has the advantages of light weight, small size, good quality, no sparks, low power consumption, high reliability, long life, etc. It is widely used in security series products, medical care products, household appliances, reversing radar devices, telephones, and electronic toys, electronic clocks, music cards and various alarms. The company passed ISO9001:2000 certification in 2002 and has now been upgraded to the ISO9001:2008 version. In line with "honesty, unity, innovation, and efficiency"; the business philosophy is full participation and continuous improvement to provide customers with high-quality electroacoustic products. !

Service philosophy

Professional manufacturer of buzzers, buzzers, speakers, microphones and ultrasonic sensors

Business objective

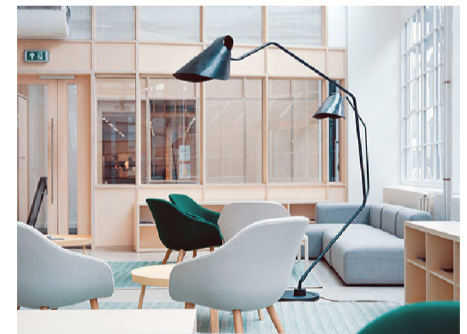

S

Based on high and new technology, striving to create a high-quality enterprise

Business purpose

Technology reassures users and services satisfy them

win-win rule

Seek development through cooperation, seek survival through mutual benefit
