

3mm LED diode common red and green diffuse anode 20mA round 3mm Bicolor 3pin LED DIP light emitting diode lamp

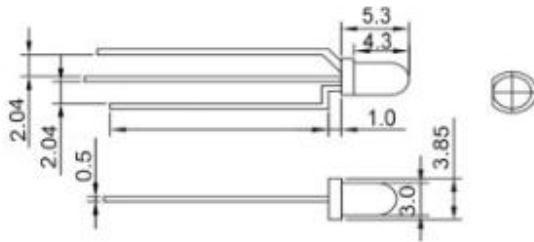

Specification:

- Wholesale price: up to 40% discount for 10 packages or more (the price will change automatically)
- Brand: CHANZON
- Quantity: 100pcs / pack
- Lens: 3mm in diameter / frosted / round
- Emitting color: red and green (common anode)
- Light intensity: R: 600-800nm G: 800-1000nm
- 120 degree viewing angle
- Voltage / current: R: 2 V-2.2 VG: 3 V-3.2 V | 20mA (each color)
- Polarity: anode (longest part) | cathode (shorter part)

Unit:mm

Common Anode Common Cathode
