

# TYP-8000K

500~800 GPD RO Water Booster Pump, for Reverse Osmosis purifier

## Quick Details

Place of Origin:  
Jiangsu, China  
Brand Name:  
DENG YUAN  
Model Number:  
TYP-8000K  
Structure:  
Diaphragm Pump  
Pressure:  
High Pressure  
Capacity:  
500GPD  
Working Pressure:  
80PSI  
Flow at 80PSI:  
4.2LPM  
Current at 80PSI:  
2.8A  
Pressure Bypass:  
150PSI  
Input Voltage:  
36VDC  
Power:  
Electric  
Usage:  
Water  
Standard or Nonstandard:  
Standard  
Theory:  
Electromagnetic Pump  
Fuel:  
Electricity  
Application:  
RO Water Purifier  
**Supply Ability**  
Supply Ability:  
500000 Pack/Packs per Month  
**Packaging & Delivery**  
Packaging Details  
6PCS/CTN  
Port  
SHANGHAI  
Lead Time :  
20 days

## Product Description

1. Product Name: Ro booster pump
2. Capacity: 500~800GPD
