

# **ANTEN+CABLE HLK-RM04**

## **2DB Antenna 2.4/5G**

### **Description**

#### **External antenna for HLK RM04**

This external antenna is suited for the RM04 module and connects using an IPX-SMA connection.

The antenna can easily be fitted by a simple click on the IPX-SMA connection on the RM04 module.

**Specifications:**

Name :	2DB omnidirectional antenna
Electrical Specifications	
Frequency Range(MHz)	2400 – 2500
Gain(dBi)	>2,5
V.S.W.R.	< 1,5
Polarization	Vertical
Non-Circularity(dB)	±0,5
Impedance( $\Omega$ )	50
Lightning Protection	Direct Ground
Maximum Input Power (W)	50
Mechanical Specifications	
Connector Type	IPX-SMA
Radiating Element Material	Copper
Radome Material	EVA
Radome Color	Black
Weight (Kg)	0.009/12
Application condition	Indoor
Operating Temperature( $^{\circ}$ C)	-40~+70
Reposition Temperature( $^{\circ}$ C)	-55~+80
