youngyo666's store

Welcome to this store 1. In order to avoid competition in the domestic market, the original Taoyuan warehouse in this store has been changed to an after-sales warehouse. The pre-sale products are uniformly dispatched from Hong Kong, which can support over-pickup, cash on delivery, home delivery, and driver home delivery. Post-payment, but face-to-face delivery is no longer supported; a single item needs to be purchased for 300 yuan before it will be shipped. 2. The goods will arrive in about 7 working days after the bid is placed, and the freight will sometimes be unstable and delayed for a few days. I hope everyone understands! No rush. 3. Before placing a bid, please note that if the product exceeds 45 cm or 5KG, please bid for home delivery or the driver to deliver it to your home! 4. In order to avoid disputes, please sign for fragile glass products after confirming that they are correct.
