Generally, no one cares about the appearance of a battery, as most of the time, batteries are hidden in remote control, shavers, some classic radio, alarm clock, torch light... However our life is still closely related to 5 size battery although there are rechargeable battery out there.

Xiaomi has officially revealed this new product sharp on 10.00 am. This Mi Rainbow 5 size battery is the latest product by one of the ecosystem company of Xiaomi - Zmi which produces

the popular Mi power bank. We are sure that you will like this battery as it's very colorful. This is totally different from our perspective about battery which is normally black, dull and not attractive. You can even differentiate which is the old and new battery by recognizing the colors.
