

PROBE SMALL

PRODUCT SIZE

Total length: 710mm

Product Description

Specification:

- Material: PVC wire
- Can plug to Multimeter, Probes is very for sharp, very suitable for IC pins, LED and small components.
- Universal to All Digital Multimeter. Super Pointed Thin and High Precision.
- Current: 10A
- Cable length: 110cm
- Low temperature conditions: 0 degree ~ 40degree
- Used for: All Digital Multimeter
- Color: Red and black

Overview

Measuring Current Range: 0-10A

Measuring Voltage Range: 0-30V

Measuring Resistance Range: 0 degree ~ 40degree

Product Name: Multimeter pen

Color: Black+Red

Weight: 0.3kg

Certificate:CE & RoHs

DIY Supplies:Support

Packing:Carton

Temperature:0-40

Display:LCD

Standard Accessories:Test Lead
